

Smyth Companies Names New General Manager for Roll-Fed Division

MINNEAPOLIS, MN - APRIL 16, 2008 - For Immediate Release//

Minnesota-based printer Smyth Companies, Inc. has named Bill Denzen General Manager of Smyth's Minneapolis roll-fed division. Denzen will be responsible for all operations of this division, and will continue to provide leadership to quality and process improvements in both roll-fed and other operating divisions of Smyth Companies.

Mr. Denzen has been with Smyth for sixteen years, his most recent position being vice president of finance of the roll-fed division.

Smyth Companies, Inc. is one of the largest label printers in North America. The company produces lithographic glue-applied labels as well as flexographic pressure-sensitive labels for consumer goods companies in a variety of markets, including food & beverage, wine & spirits, and personal care products. Smyth operates production plants in Minnesota, Colorado, and Virginia, and employs approximately 400 people.

Bill Denzen
